

DEPARTMENT OF THE AIR FORCE
WASHINGTON DC

12 AUG 1996

OFFICE OF THE ASSISTANT SECRETARY

MEMORANDUM FOR ALMAJCOMS (CONTRACTING)

FROM: SAF/AQCI
1060 Air Force Pentagon
Washington DC 20330-1060

SUBJECT: Waiver for Review of Business Opportunity Homepages

Contracting activities throughout the Air Force are establishing Business Opportunity Homepages on the World Wide Web (WWW) to speed contractual information to industry and the public. This innovative use of technology provides quick access to Air Force business opportunities through the electronic publishing of Draft Request for Proposals, Requests for Proposals and copies of Commerce Business Daily Announcements.

These publications are routine business transactions that do not require Security and Policy clearance. The review of releasable contracting information is clearly a task defined within the duties of a Contracting Officer and office. Other information proposed for public release, such as news releases falls within the requirements of AFI 35-205, "Air Force Security and Policy Review Program," and must be cleared through the appropriate Public Affairs Office.

If you have any questions please contact Ms. Carol Thompson, SAF/AQCI, at DSN 227-3888 or email thomsoc@af.pentagon.mil.
